STEVE HUBBACK

*Originally from Wales, Steve Hubback was a touring and recording percussionist throughout the 1980's, and signed his first record contract with Dossier Records in Berlin.*

*Hubback started gong and cymbal making in 1990 in Scandinavia. Within two years, the best Nordic musicians were playing his unique instruments. He pioneered distinctive gongs and cymbal sculptures which continue to influence generations. Additionally, Hubback's creations include moving and site-specific metal sculptures. His work is respected world-wide for its originality and exceptional quality. Steve Hubback continues to perform, hammer, and create.*
